Greetings!

Dear Ma'am/Sir,

I Sophia Joy Betet, hereby authorize my brother Jabez John Betet on my behalf, to pick-up the documents I personally requested online/email:

- Transfer of Credentials
- Certificate of CGPA/GWA

This is because I am currently working in Metro Manila, that's why I am unable to be present personally. Therefore, I entrust Jabez John Betet with full authority to act in all matters related to the claiming of the aforementioned documents.

For verification purposes, I have attached a copy of my identification along with this letter. Jabez John Betet will also present his identification for further validation.

Thank you so much, for your support.
